

You can apply via our [Online E-Visa Application](#) form.

Visas Zone has launched an e-visa application portal through its website to help streamline certain visas. It is a user-friendly online visa portal process for many nationals, and the main objective is to save you time! The process consists of the applicant completing the online questionnaire and submitting it to us for processing! Visas Zone also provides payment on the applicant's behalf and after completion, deliver your passport with visa to a home or office address! Submit the online form and the below documents to any of our offices for processing:

To initiate your USA visa application process, please follow these steps in addition to the other requirements outlined on our website: 1. Complete the Visas Zone Online E-Visa Application Form: This form is simplified for your convenience, ensuring that all information is accurately copied to the USA online appointment system to secure your most recent appointment. 2. Submit Required Documents: After submitting the digital application, please send the following documents: ? A clear scanned copy of your 50mm x 50mm photo. ? A clear scanned copy of your passport. ? Your flight itinerary. These documents are essential to get the process started. Ensure that all submissions are clear and legible to avoid any delays in processing your application.

Other documents to take with to the appointment:

Additional Information: An individual on a visitor visa (B1/B2) is not permitted to accept employment or work in the United States. There is no guarantee you will be issued a visa. Do not make final travel plans or buy tickets until you have a visa. A valid U.S. visa in an expired passport is still valid. Unless canceled or revoked, a visa is valid until its expiration date. If you have a valid visa in your expired passport, do not remove it from your expired passport. You may use your valid visa in your expired passport along with a new valid passport for travel and admission to the United States.
